

# Your Local Partner for Reducing Costly Coating Maintenance Downtime

Abrasive blasting with Sponge-Jet

Ordinary Abrasive Blasting

**Sponge-Jet can reduce the duration and expense of industrial coating projects. Here's how...**

- Accelerate costly shut-downs by allowing other trades to safely work nearby Sponge-Jet blasting
- Blast near sensitive and rotating equipment; near adjacent coatings without damage
- Maximize coating life by promoting ultra-high quality, single-pass surface prep using Sponge Media™

**SAVE TIME. SAVE MONEY.** CALL 603-610-7950 FOR MORE INFO.
