

Hello,

The Coating Society of the Houston Area will be holding our Annual Painters Competition on Saturday, March 26, 2022 in Pasadena, TX. This event allows our industrial blasting and coating professionals to showcase their skills and compete against other teams for prizes, educational opportunities and bragging rights. Our event builds professional relationships with both our customers and our vendors.

The Coating Society of the Houston Area was established in 1956 as a charitable organization with the purpose of promoting education, best practices in corrosion control and to expand the knowledge and proper use of protection coatings to mitigate the effects of corrosion in the industry. Please visit our website at www.coatingsocietyofhouston.org for more information.
