

# Make Us Part of Your Maintenance & Repair Team

*ENECON Can Provide 'Industrial Strength Solutions' for All Your Repair & Maintenance Needs*

Let us show you how our high performance polymer composites and our applications know-how can save you time, money and aggravation. We're doing it for thousands of demanding clients in over 25 countries around the world. We can provide you with commercially proven and cost effective repair solutions for your machinery, equipment and plant structures damaged by erosion, corrosion, cavitation, wear, impact abrasion, chemicals, hydrostatic pressure, etc.

Contact us today for a free technical seminar at your facility. We will be happy to share ideas and provide some practical insights into the latest advances in high-tech polymer repair and maintenance technology.

*The advice is free...the results may be priceless!*
