

To enter our hourly Hempel booth prize drawing, e-mail us **by April 10, 2023** at: [EDE@Hempel.com](mailto:EDE@Hempel.com)

## See Hempel in action at CSHA 2023

### Booth 21 & Technical Showcase

Talk to us about  
Heat, Humidity & more:  
Sweating surface solution  
Hot application of CUI system  
4-hr Hydrocarbon Pool Fire PFP

### Hempadur MS 35530

Solvent-free Epoxy

- Roller apply on live systems
- Fast dry on condensing surfaces
- Abrasion resistant, durable

### Hempaprime CUI 275

Fast Overcoating Epoxy

- Apply up to 400°F
- Operate from cryo to 527°F
- Crack-resistant at high DFTs
- Certified for ISO 19277, all categories

### Hempafire XTR 100

Epoxy Intumescent PFP

- UL 1709-certified
- Durable, impact resistant
- Low DFTs, lightweight
